REMINDER 9/2022

Re: FLU vaccine is a State Mandate!

“According to the New Jersey Department of Health and Senior Services administrative rule N.J.A.A. 8:57-4, Children six months through 59 months of age attending preschool on or after September 1, 2008, **shall annually receive at least one dose of influenza vaccine between September 1 and December 31 of each school year.**”

The flu vaccine is required by the state in our program. EOCD Health service area staff is reminding all parents/guardians to have their child vaccinated as soon as possible. Please do not wait until the last minute.

November 7, 2022 is the deadline for at least one dose of the flu vaccine for the current school year.

The flu vaccine is now available at the East Orange Health Department on: Tuesdays 9am-11:30am Thursdays 9am-11:30am
1pm-2:30pm

***** Appointments recommended; Walk in accepted*****

Yours in Better Health,

EOCDC Health Service Staff

Parent/Guardian, please remember to provide us with a doctor's note or immunization record stating that your child has received at least one dose of the flu vaccine.

Thank you.
